

Daycare Regulations & Fees

Wellness:

All dogs must be healthy to attend Doggy Daycare All dogs must have a physical exam once per year. Dogs must have no illnesses within 30 days prior to starting Doggy Daycare. If illness occurs while attending, the dog must wait 14 days before re-attending and receive a health certificate from their veterinarian.

Vaccinations Required:

Distemper 1 or 3 year

Rabies 1 or 3 year

Influenza 1 year (H3N8)

Bordetella 6 months

Fecal Test 6 months

Age Requirements:

All dogs must be a minimum of 6 months old to attend playgroup and must be spayed/neutered. Dogs who have not yet been spayed/neutered may still attend daycare however they cannot join in big playgroups.

Temperament:

All dogs must have a friendly, and non aggressive temperament. They may have zero food, toy or fear aggression. This includes but is not limited to: toy/treat/food guarding, flashing teeth, growling, snarling, nipping, biting, flattening ears, lunging etc. All dogs will be evaluated by a staff member before being able to attend Doggy Daycare. (Please ask about setting up an evaluation appointment so you can begin your enrollment!) We will use our discretion to choose to not socialize a dog, or to remove a dog from playtime if we feel there is a safety concern, and contact the owner.

Leashes are a must!

For safety purposes dogs must be leashed at all times except when in the play area. We ask you please keep them leashed while dropping off and picking up. We also run a full time Veterinary practice and boarding/grooming facilities. This is for the safety of all pets and people.
